Master's Message

Hello Brothers,

In the last few weeks I have been reminded that it is hard work to be a Mason. Keeping true to our oath is not always as easy as it seems. Sometimes we speak out when we should not, or sometimes we just plain forget that we must remind our Brethern in the most tender manner of his failings. This is where I find my struggle. Please think about the oath we all took and what it means. I have had to in recent days and I find myself thinking about it often now. I will close this message with this simple statement: Sometimes being FRANK about things is the MOST TENDER MANNER.

From the Secretary

Please keep us up-to-date on your personal information. It really makes the job easier and saves the Lodge additional expenses in mailing fees.

We had a suggestion from a Brother that we include the names of the Brothers who are no longer with us. A list of the Brothers who have passed since July 2007 (the beginning of the Masonic Year) is included in this Trestleboard.

At our May 15th Stated Communication, the Lodge voted unanimously in favor of the merge proposal with **Wellston Lodge # 613**.

If you have not paid your dues, a Dues Reminder Notice is included with this mailing. You are encouraged to support the various Grand Lodge and Bridgeton Lodge charities.
