This class will send you away with some basic jazz movements that can easily help you create a va-va-voomier feel to your routines. Jazz experience is not necessary. The first half of the class will focus on lines and basic jazz moves. The second half of the class will be spent learning a vegas-meets-bellydance choreography!

***Saturday 2/7/09 11:30-1:30, \$30***

### **The Ultimate Drum Solo!**

Drum solos can be intimidating, can't they? Learn how Summer creates her unique and exhilarating drum solos, explore her theories on matching sound with body movements, and drill some fun isolations that just beg for a doumbek beat. The first half of the class will focus on drilling while the second half will focus on learning a choreography to a short but sassy drum solo.

***Saturday 2/7/09 2-4, \$30***
